October 24, 2025

Dear Valued Families:

We are writing to inform you of exciting news that will help us provide you with even better medical care. Effective December 1, 2025, Town & Country Pediatrics will now be affiliated with St. Louis Medical Clinic. We are pleased to be the Pediatric Division of the growing multi-specialty privately owned medical practice.

We will still be located at Missouri Baptist Medical Center our new office will be in suite 240-A. This new office is just upstairs and around the corner from our current location to allow for your convenience and familiarity. We want to reassure you that your medical records will be seamlessly transitioned into the new EMR associated with St. Louis Medical Clinic, and you will not need to take any action. You will be cared for by the same trusted team. We are taking the full Town & Country Pediatrics staff to our new location where we will be eager to welcome you!

We are thrilled about this affiliation because it will allow us to enhance the care we provide for our families. St. Louis Medical Clinic shares our commitment to your health and well-being. Together, we will have more specialists to connect our patients with within the practice.

We understand that change can be concerning, but we are confident that this affiliation will be a positive step for everyone involved. Your children will continue to be provided with the high-quality care you expect and deserve.

Thank you for your continued trust and support. Our phone number and fax number will remain the same and our email address will be the only thing to change. If you have any questions or concerns, please do not hesitate to reach out to us at 314-994-0209.

Sincerely,

Joel S. Koenig, M.D.
